Matthew 5:21-26

21 "You have heard that it was said to those who lived long ago, Don't commit murder, and all who commit murder will be in danger of judgment. **22** But I say to you that everyone who is angry with their brother or sister will be in danger of judgment. If they say to their brother or sister, 'You idiot,' they will be in danger of being condemned by the governing council. And if they say, 'You fool,' they will be in danger of fiery hell. **23** Therefore, if you bring your gift to the altar and there remember that your brother or sister has something against you, **24** leave your gift at the altar and go. First make things right with your brother or sister and then come back and offer your gift. **25** Be sure to make friends quickly with your opponents while you are with them on the way to court. Otherwise, they will haul you before the judge, the judge will turn you over to the officer of the court, and you will be thrown into prison. **26** I say to you in all seriousness that you won't get out of there until you've paid the very last penny.
